Annual Prison Rape Elimination Act (PREA) Report 2022

Submitted by: Christina Allard
Jail Administrator & PREA Coordinator

The Prison Rape Elimination act requires that the Rolette County Law Enforcement Center (RCLEC) prepare an annual report on the effectiveness of its efforts to reduce sexual abuse in Rolette County Jail. The following information details RCLEC's compliance with the standards proscribed by the PREA Act. These standards are outlined in the U.S. Code of Federal Regulations—28 C.F.R. Part 115.

In 2003 the Federal Government signed into law the Prison Rape Elimination Act (PREA). This law established a set of standards designed to eliminate sexual abuse and sexual harassment experienced by individuals incarcerated in correctional facilities in our nation.

As a grade 1 correctional facility in North Dakota, The RCLEC has adopted these standards in preventing, detecting, responding to, and eliminating acts of sexual abuse & sexual harassment in our facility. The RCLEC has zero-tolerance for any form of sexual abuse & sexual harassment.

The RCLEC and the Rolette County Sheriff's Office (RCSO) investigate all allegations of sexual abuse and sexual harassment and provide inmates with numerous methods of reporting:

- Verbally tell any staff member/contractor/volunteer
- Write any staff member/volunteer/contractor
- Have a third party make the report by contacting any RCLEC or RCSO staff member in writing or verbally
- Contact a third party by writing or calling (inmates are provided this contact information)
- Call the Rape Crisis line which is accessible by any inmate phone

Any allegations of sexual abuse will be referred to law enforcement for investigative purposes.

Any person found to engage in a criminal act will be prosecuted to the fullest extent of the law.

Any staff member found to violate RCLEC's policy regarding PREA will be subject to disciplinary sanctions up to and including termination from employment.

The RCLEC has taken a number of proactive steps to help ensure compliance with PREA standards.

Summary of Actions or Achievements

In early 2022, the Rolette County Jail completed its PREA Audit. In January 2018 we opened a new 48 bed facility. We continue to keep inmate's safety from sexual abuse/harassment a priority.
